Exhibiting Opportunities

Exhibiting is an excellent opportunity to market your company's products in greater depth and conduct quality, one-on-one discussions with industry representatives (*see the list of 2007 attendee and exhibitor companies enclosed*).

Exhibit Information and Schedules

There will be 51 exhibit spaces (*subject to change*) for technology product and service providers this year. Space is limited and, as in the past, demand will be high.

The exhibit area and surrounding foyers and meeting space will be focus locations for networking during continental breakfasts, lunches, and receptions. The exhibit booths will be open during these social functions for a total of 11.25 hours over two and one-half days (*see exhibit schedule below*). Exhibit hours have not been scheduled during the educational sessions to allow exhibitors the opportunity to participate in the Conference and continue networking with attendees.

Exhibit Fees, Terms and Conditions

The booth rental fee is \$5,000 per 10' x 10' booth. Booth configurations such as 10' x 20' or larger may be achieved by combining 10 foot booths to make up the specific booth size required. Full booth payment should accompany the completed front and back Booth Request Form (*see pages 7 and 8*) and be returned to the address listed on the Form promptly, but no later than August 22, 2008. Please also fax a copy of the completed Booth Request Form to NMHC (202/775-0112) as backup. Signing up for a booth early will allow your company to take advantage of the advance promotional opportunities. **Credit card payments**

will not be accepted. If your company's accounting department requires an invoice prior to submitting payment, please contact Jennifer Angebrannt at jangebrannt@nmhc.org or 202/974-2318. Membership in NMHC is not required to exhibit. Following receipt of the Booth Request Form at the NMHC office, a confirmation of receipt will be e-mailed to your company contact listed on the Form. Provided booth space is still available, a booth location/number(s) will be assigned approximately in early September. Should payment not be received with your booth application in accordance with the terms listed, exhibit management has the right to not assign, or reassign the booth space to another company, whichever may be the case. If the application is received after all space has been sold, the payment will be returned, refunded or held for a mutually agreed upon time in case of a waitlist situation.

Booth Assignments

Fully paid booths will be assigned in early September based on the following, in order of priority: **(1)** booth size requirements; **(2)** number of years company/division has exhibited; **(3)** company membership level in NMHC; **(4)** conference sponsorship; **(5)** date the Booth Request Form is received; and **(6)** proximity of competitive firms. Booth assignments are dependent upon receipt of the Booth Request Form, receipt of payment, and booth availability. If your booth choices are not open at the time of assignment, we will assign the next best space for exposure to attendee traffic and as close to the type of request first made. **NMHC will begin mailing booth confirmations with Services Manuals in early September.** Company names and assigned booth numbers will be listed online at www.nmhc.org and www.multihousing.com.

If you are not satisfied with your booth assignment, it is possible to put your company on a waiting list for an open booth. When/if a space becomes available, we will call you to discuss the open space. You may choose to take the open space, remain on the waiting list, or keep the original booth assigned.

Booth Rental Includes:

- Basic booth set-up – pipe and drape forming 3ft. high side rails and 8ft. high backdrop
- Booth identification sign with company name and booth number
- Booth and aisle carpeting, and aisle carpet cleaning (*Exhibit Hall is carpeted*)
- Security service (*scheduled 24 hours each day starting on Sunday evening*)

- Complimentary Conference registration for three (3) company personnel with one paid 10'x10' booth (inside the maximum of 6 attendees). More complimentary conference registrations will be provided based on larger sized booths (see the conference registration terms when registering for badges online).
- Free Technology Conference registrant mailing lists (*automatically sent to exhibitors in Excel spreadsheet format once the lists have been sufficiently populated, approximately a month prior to the meeting*)
- Complimentary hi-speed wireless Internet access
- Exhibitor recognition listing with booth number on NMHC and Multihousing.com web sites
- Exhibitor recognition listing in the Conference materials
- Complimentary food/beverages daily in and near the exhibit area
- Exhibitor Services Manual (*mailed to confirmed exhibitors and posted on NMHC and Multihousing.com web sites in early September*)

Following booth assignments starting in September, an Exhibitor Services Manual will be forwarded to your company.

2008 Technology Conference Official Decorator and Service Contractor:

Freeman Companies
 Attn: Exhibitor Services
 841 Joseph E. Lowery Blvd., NW
 Atlanta, GA 30318
 404/253-6400 • 404/898-0415 fax
 E-mail: FreemanAtlantaES@freemanco.com

The exhibitor services discount ordering deadline is Friday, October 31, 2008. Exhibits where freight has been received at the site, but the company has not initiated set-up by 2:00 PM on Sunday, November 16, will be automatically set up by the Official Decorator and Service Contractor and labor billed to the exhibitor. If an exhibitor without freight does not check in with the Freeman Companies Foreman or Jennifer Angebrannt of NMHC by 3:00 PM on Sunday, they will be considered a "No-Show" and Show Management has the option to rent the space or convert it to a lounge area.

Exhibitor Pre-Registration (Badges)

All exhibitors are required to pre-register online for a badge in order to obtain admission into the Exhibit Hall. Signing up for exhibit booth space does not automatically preregister your company's exhibiting personnel. Exhibitors with one paid 10'x10' booth receive three (3) complimentary registrations to the Conference and up to three (3) additional registrations may be purchased (inside maximum of 6 attendees). Unless your company has multiple memberships with NMHC, please do not bring/register more than six (6) people from a single firm if you have one 10'x10' booth. More complimentary conference registrations will be provided based on larger sized booths (*see the conference registration terms when registering for badges online*). Badges for set-up (Sunday, prior to 3:00 PM) and dismantle (Tuesday, after 1:30 PM) crews are not required, so long as these individuals are not attending the Conference.

Dismantle Schedule

No exhibit dismantling or removal may begin until official exhibit hours have ended on Tuesday at 1:30 PM, unless otherwise instructed by show management. A fine will be imposed on any exhibitor who dismantles prior to 1:30 PM.

Shipping

Your Exhibitor Services Manual will include shipping instructions. All exhibitors are encouraged to pre-ship all freight to the drayage contractor's warehouse in advance to avoid delays in set-up resulting from backups at the hotel's loading dock.

Insurance

Each exhibitor with a company booth that requires hired labor for installation/dismantling, or hires a third-party company which hires labor to install/dismantle the booth, is responsible for submitting a general liability certificate of insurance to NMHC and/or Freeman Companies no later than Friday, October 3, 2008. The certificate should list NMHC and Freeman as "additional insured" parties. For those exhibitors not requiring labor to set up their booth, a certificate of insurance will not be required.

- 6 **Co-Exhibiting or Subletting of Exhibit Space:** One company is allowed to exhibit per booth. Exhibitors are prohibited from subletting any part of the space allotted to them or exhibiting in their space any merchandise or advertising materials, that are not a part of their product lines, unless authorized by NMHC and Multihousing.com.
7. **Liability:** Exhibitor agrees to, at all times, protect and defend, save and hold forever harmless, and fully indemnify the National Multi Housing Council, Multihousing.com and the Hilton Atlanta, and their leadership and employees, from and against any and all claims, actions, losses, damages, costs (*including reasonable attorney's fees*), liability charges or expenses arising out of or in conjunction with (1) any property or personal injury or other occurrence to any property or person(s), including the exhibitor, its agents, employees and business invitees, which arises out of or is in conjunction with the exhibitor's occupancy and use of the exhibition premises or any part thereof, and, further, (2) any alleged violations of any law or ordinance occasioned by the intentional or negligent actions of the exhibitor, its agents, employees, and business invitees. NMHC, Multihousing.com and the Hilton Atlanta expressly disclaim any possible liability for the safety of the exhibitor's property or exhibit against robbery, fire, water, accidents of any sort, or injury or damage from any other cause. Should any loss by theft occur, the exhibitor agrees to report it to the security person on duty, hired by the exhibit management or the resort, immediately.
8. **Security Guidelines for Exhibitors:**
- A. Avoid leaving valuable items unattended or articles in the booth during non-exhibit hours.
 - B. If possible, cover your display with a flameproof drop cloth during non-exhibit hours.
 - C. Run wire or cable through as many items as possible and lock them during non-exhibit hours.
 - D. Remove pertinent component parts from display or floor models not being used for demonstration during non-exhibit hours.
 - E. Never leave your booth unattended during exhibit hours. Do not hesitate to report to NMHC staff any suspicious persons in the exhibit area.
 - F. Pack all of your equipment products as soon as move-out starts and make sure all labels are made out properly.
 - G. At commencement of move-out, remove small articles of value.
9. **Booth Construction/Design/Layout:**
- A. Standard booth equipment will consist of an 8 ft. back wall of draperies with aluminum uprights and 3ft. high divisional side rails covered with matching or contrasting draperies.
 - B. To allow an unobstructed view of booths, exhibitors are not permitted to have their booths and backdrops exceed 8ft. in height. Higher booth height requests must be pre-approved by NMHC no later than September 7. Backdrops/backgrounds 8 ft. in height may extend forward no more than half the distance from the back wall (in this case extend forward no more than 5 ft. on a 10' x 10' booth). Backdrops/backgrounds on End-Cap booths (two 10' x 10' booths at the end of two adjoining aisles exposed to an aisle on 3 sides) may not extend in width beyond 10 ft. to maintain line-of-sight down each respective aisle. Consult NMHC if you have questions or require a diagram for clarification.
 - C. Company banners or exhibit items may not be hung from the ceiling, nor are they allowed anywhere within or outside of the exhibit area.
10. **Mergers and Buyouts:** In the case of exhibiting companies that have either merged with, been purchased by or have purchased another company and merged their booth space, the new company will receive the points earned by the company that had the higher point total, if requested in writing by the merged company. The priority points will not be combined.
11. **Joint Ventures/Co-Marketing:** Definition – The definition of a joint venture/co-marketing Agreement is that in which two or more companies are developing, manufacturing, producing, or distributing the same product. In this case, it refers to companies that may have entered into joint ventures or co-marketing agreements and wish to exhibit in a manner best describing their joint agreement. Companies having such a business agreement may choose to:
- A. Be aligned on the exhibit floor adjacent to each other in order to jointly promote the specific product; or
 - B. Be represented by only one of the companies in the agreement utilizing exhibit space, but displaying through signage that the product is a joint venture/co-marketed product; or
 - C. Exhibit in one booth under the joint venture name with one exhibit manager contact coordinating all joint venture booth staff and activities (*registration badges, show guide listings, etc., which are subject to show management policies*). If the companies having the agreement wish to have their space located adjacent to each other, both companies should submit such in writing, with their applications, a cover letter initiating the request. A copy of the letter should also go to each of the companies in the agreement.
- Space allocation should be based on the present points average of the companies in the agreement. If only one company is exhibiting the co-marketed product, show management should deal only with that exhibiting company. Subletting of space for the purpose of allowing another company to exhibit within the principal exhibit is not permitted. If the non-exhibiting company needs registration badges, they should work directly with show management and according to show management's policies. Show management will make every effort to be inclusive of all joint marketing partners. If possible and upon request, the names of both joint partners should be included in separate listings in the printed materials. Show management may charge an administrative fee for the additional listing. If two listings cannot be provided, the exhibiting company should list the non-exhibiting partner within its listing.
12. **Exhibitor Intellectual Property:** Exhibitor warrants and represents that it owns all intellectual property being used in promotion at the 2008 NMHC Annual Apartment Technology Conference or exhibited at the 2008 NMHC Annual Apartment Technology Conference, and agrees to defend, at exhibitor's expense, and to indemnify NMHC and Multihousing.com for any action brought against NMHC and Multihousing.com arising out of any dispute over intellectual property.
13. **General Show Policies: NOISY, OFFENSIVE EXHIBITS ARE PROHIBITED.** If you are having demonstrations, do not have them in the aisle where your exhibit is located if you expect people to congregate there. Leave space within your exhibit to absorb the majority of the crowd. Should spectators interfere with the normal traffic flow in the aisle or overflow into the exhibits on the sides or across the aisle, the Show Manager will request that you limit or eliminate your presentation. Police your booth to be sure the noise level from any demonstrations or sound system is kept to a minimum and does not interfere with others. The Show Manager reserves the right to determine what constitutes interference with others. All business activities, circulars and advertising matter must be conducted and distributed within the booth(s) assigned to the exhibitor. Materials may not be distributed in other areas of the Conference facility. Prizes, awards, drawings, raffles and lotteries must be cleared with the Show Manager in advance (*prior to October 10, 2008*). Selling products for cash and dispensing wine or liquor are prohibited unless cleared with the Show Manager. Exhibitor agrees not to hold any social event to which attendees are invited, or entice attendees off the exhibit floor during official exhibit and Conference hours. Further, no exhibits or In Conjunction With events are permitted outside the exhibition area, which includes hotel rooms, suites or public places on November 16-18, 2008, unless approved in advance by NMHC. In Conjunction With events held by non-sponsor companies will be charged a \$5,000 fee.
14. **Sleeping Rooms:** Contact the Hilton Atlanta before November 1, 2008, at 404/659-2000 or 800/HILTONS (800/445-8667) to make reservations.
15. **Restricted Attendance:** False certification of individuals or other methods or devices used to assist unauthorized persons to gain admittance to the exhibit floor or the Conference is cause to expel the violator from the exhibition and Conference, and to remove the exhibit from the floor without obligation on the part of NMHC or Multihousing.com. It is understood that by submitting this application for exhibit space, we have included our booth payment or request for invoice, and our company and its representatives agree to abide by the provisions of the rules and regulations governing the 2008 NMHC Annual Apartment Technology Conference, developed and produced by NMHC and Multihousing.com in general, and as outlined above, in the Exhibitor Prospectus and the Exhibitor Services Manual. This application, when accepted by the National Multi Housing Council, becomes a contract.
